our story

Which started in 1986 with the production of towels and bathrobes in the home textile sector, continued with the production of chenille yarn and upholstery fabric over the years. Besides, since 2008 we have added to produce as a private label in the kitchen textiles section of the home textile sector. With Tosunoğlu Tekstil's understanding of trust and quality, we present our OKRA HOME brand, gastronomy textiles and functional and comfortable product groups and collections of 2024.
